What's New?

We kicked off March by attending the WISHRM Student Conference and HR Games here in La Crosse at Western Technical College. We had two teams compete in the games, one of which placed 5th! We plan to attend next year and compete again! Please reach out to an executive board member if you are interested.

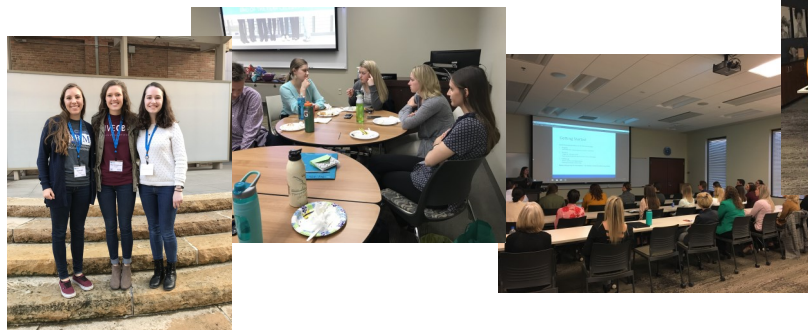

We attended a networking event put on by LASHRM for SHRM students in the La Crosse area. It was a great opportunity to meet students from the area!

Throughout March and

April, we hosted many great speakers. Primarily, Mike Hesch, MASL from Mayo Clinic lead us in an interactive presentation on finding the “why” in our careers. He helped us to dig deep to reveal our passions and what drives our actions. We then hosted Nickolas Davis, the new women’s track and field coach, who talked about leadership and how to be authentic leaders. Lastly, Jeff Kessler from Allergy Associates of La Crosse came to speak to us about how healthcare impacts all of our career fields. He gave a very

inspiring talk about doing what you love in your career. We finished the year with our End of the Year Celebration! We wished our senior board member, Adam Zydzik, good-bye and looked back at all the good memories of the year. Thank you to all our members for such a great year! Have a wonderful summer and we look forward to seeing you in the fall!

Meet our New Executive Board!

Look out 2018-2019! Our new Executive Board has been elected and they are so excited for their many new ideas for SHRM! Our new board is made up of both some returning board members and some fresh faces (James, Taylor, Rebecca, and Alec)! Thank you to our 2017-2018 board for all their hard work and dedication throughout the past year.

UWL-SHRM Member of the Month: **Adam Zyzdik**

Adam served as our Event Coordinator this school year. He is graduating in May with a degree in Business Management. Good luck Adam!

What is SHRM? / Become a national SHRM member

“SHRM” stands for Society for Human Resource Management. Our student chapter at UWL is an affiliate of the national SHRM organization. Our student members also have the opportunity to become National SHRM members and have access to exclusive content (<https://www.shrm.org/about-shrm/Pages/membership-b.aspx>). On campus, we are a student-run club that is open to all majors. We promote professional development and business knowledge by bringing in speakers, hosting development workshops, volunteering, and providing the opportunity to network with professionals. We would love for you to join us!
